Hopeful Highlights

There's no doubt that one person has the power to make a difference, but when a group of people that care join forces, they can actually change the world. The contributions of time and resources over this last season has inspired us. Together, we can make incredible things happen for the health of our community, and there is no greater joy than knowing that the work we do makes an impact. Thank you to all who contributed. As a result:

\$164,000

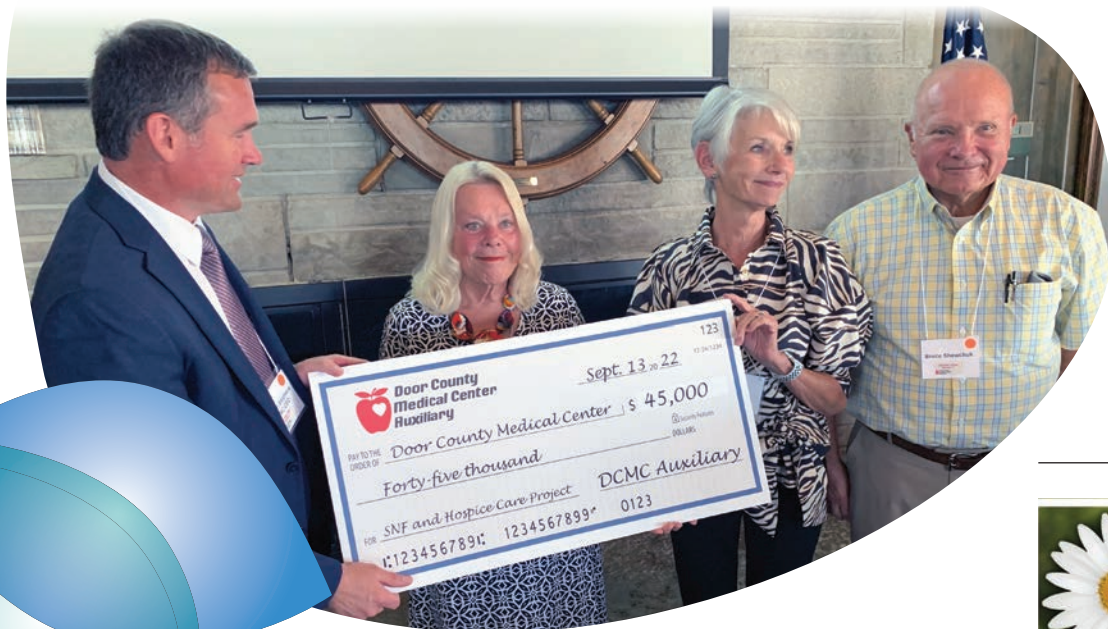

More than **\$164,000** was raised to strengthen and expand the Behavioral Health Program at Door County Medical Center (DCMC) during the 26th Annual Golf Marathon.

\$48,000

\$48,000 in contributions raised during the 61st Auxiliary House & Garden Walk will benefit the DCMC Pete and Jelaine Horton Skilled Nursing and Hospice Care Campaign.

\$34,000

At the 15th Annual Queen for a Day **\$34,000** was raised for the David Spude Cancer Center Endowment Fund and Door CANcer Inc.

Door County Medical Center Auxiliary Fulfills \$250,000 Pledge

When the Door County Medical Center proposed a new state-of-the-art skilled nursing facility in 2018, the DCMC Auxiliary stepped forward to make a bold pledge of \$250,000 over five years.

That pledge was fulfilled on Sept. 13 when a \$45,000 check was presented to Brian Stephens, DCMC President and CEO, at the Auxiliary's annual luncheon.

"The pledge was primarily met from the proceeds of our annual House & Garden Walk and the Auxiliary Gift Shop," said Maribeth Hetherington. "Having the privilege of serving as Auxiliary president as we worked on this commitment, I was especially delighted to complete the pledge ahead of schedule."

"A commitment that large required

a tremendous amount of volunteer hours in multiple House & Garden Walks," Stephens said. "That they met their goal and paid off the pledge in four years—despite weathering a global pandemic—speaks to the tireless commitment of our volunteers."

"This was a huge undertaking for a committee of dedicated volunteers," said Wendy Walker, co-chair of the 2021 House & Garden Walk.

"I followed in the footsteps of Gloria Heck, who masterminded the entire project plan and served as committee chair. We were well on our way by the time Chris Darling and I took the reins in 2021."

Now that the pledge has been fulfilled, future House & Garden Walk and Gift Shop proceeds will go toward the DCMC's initiative to provide enhanced behavioral health services to the communities it serves.

The Annual Golf Marathon Does it Again

The 26th Annual Door County Medical Center Foundation Golf Marathon was held at The Orchards Golf Course in Egg Harbor on August 31st and raised a record \$164,000.

This is an event that many people look forward to every year. You can feel the energy and excitement in the crowd. Not only is it a good time, it's a great cause benefiting the Door County Medical Center Behavioral Health Program.

Since its inception, this event has brought in over \$2,000,000 in support of our vision, and we are not stopping there.

Queen for a Day Golf Outing

Wonderful weather accompanied 160 golfers who attended the 15th Annual Queen for a Day Golf Outing at Idlewild Golf Course on June 27th.

\$34,000 was raised to benefit both the David Spude Cancer Center Fund and Door CANcer, Inc.

The David Spude Cancer Center ensures that everyone with the diagnosis of cancer has a range of leading edge treatment in a comforting, private environment close to home. Meanwhile Door CANcer, Inc. supports diagnosed individuals and their families to overcome the financial complications and hardships that many face when dealing with a cancer diagnosis.

This event was spearheaded by Event Chair, Sue Guilette, and supported by countless volunteers. We owe a huge thanks—your contributions of time and resources made this event wildly successful!
